Angela has worked at Middle Flint Behavioral Healthcare for over 18 years. During this time, she held many positions. She began as a Medical Records Clerk at the Americus Outpatient Clinic. She also held the position of Administrative Assistant for an Executive Staff member. In this role, Angela was responsible for the management of all hard-copy health records for individuals served.

Angela was later promoted to the Operations Analyst/Statistical Technician position in the Utilization Management department. In this position, she researched and developed data reports to track the utilization of authorized service units to ensure we maximized our revenue generation.

She was then transitioned to the position of Director of Information Technology/Management of Information Systems (IT/MIS), Total Quality Management (TQM), and Utilization Management (UM) Coordinator. During this time, Angela oversaw all IT/IS needs and managed our quality improvement and utilization management processes.

In 2014, the Bridge Services Unit was formed. The intent was to develop a unit that bridges direct service units with the administrative and financial units. In this department, Angela was responsible for the IT/MIS, UM as well as quality assurance and risk management functions.

In 2017, Angela was promoted to Chief Operations Officer and assisted in the acquisition of Phoenix Health Behavioral Services that provided services to Houston, Peach and Crawford counties. This brought Middle Flint from being an eight-county community service board to being the safety net provider for eleven counties.

November 2020, Angela was selected as the Chief Executive Officer of Middle Flint BHC.

Angela was born and raised in Americus, Georgia but spent 10 years serving in the U.S. Air Force as a Munitions Systems Craftsman. During her career in the Air Force, Angela attended Air Force Leadership School and was inducted as a Noncommissioned Officer in the grade of Staff Sergeant, February 1, 1999. She also received the Armed Forces Expeditionary Medal for Serving as Chief Munitions Control Officer December 29, 1999. After an honorable discharge, Angela moved back to Americus in 2000 and was hired at Middle Flint Behavioral HealthCare in 2003. She has a Bachelor of Business Administration from Georgia Southwestern State University and is currently enrolled in the MBA – Executive Option at the University of North Alabama where she will be graduating December 2022.

We are a community of care providers that prioritize your health and well-being.
